APPLICATION DATES

FIRST LOTTERY - Applications from Illinois residents will be accepted from the date upon which they become available through April 30.

SECOND LOTTERY - Applications from non-residents and anyone that does not have a permit will be accepted through June 30.

RANDOM DAILY DRAWINGS - Anyone that does not have a permit or has one or two permits may apply for the random daily drawing from applications received prior to and including August 13th. A random daily drawing means all applications from one day are randomly processed before applications from the next day are randomly processed.

OVER THE COUNTER SALES - Any remaining permits will be available over-the-counter from license vendors beginning October 15 on a first come, first serve basis. Permits will be sold until quotas are exhausted, or until the close of the firearm deer season, whichever occurs first. Individuals can purchase one or more permits during this period, subject to availability.

GROUP HUNT INFORMATION

Up to six individuals may apply to hunt as a group. All individuals in the group must pre-select a group leader and each application for the group MUST have IDENTICAL choices for the application period, hunt locations & seasons, and group leader information. Illinois residents are given preference for permits allocated in lotteries, therefore groups containing both resident and non-resident applicants will be treated as non-resident applications.
