Free Fishing Days Kids Fishing Tournament

Carlyle Lake - In recognition of Illinois' Free Fishing Days June 10th – 13th, the U.S. Army Corps of Engineers at Carlyle Lake will be hosting a kid's fishing tournament. The tournament will be held on Saturday, June 11th in the Dam West Spillway. Registration is 8:30 a.m., and the tournament will begin at 9:00 a.m. and conclude at 11:00 a.m. giving the participants two full hours of fishing time. Trophies will be awarded for total weight in two age categories, ten and under and eleven and over. First, second and third place trophies will be awarded in both categories.

Fishing is a sport enjoyed by the young and old, and is recognized as one of the most peaceful of all recreational opportunities. Illinois Free Fishing Days provide families and individuals an opportunity to try recreational fishing without the commitment of purchasing a fishing license. Fishing is a great way to spend time with your family in the great outdoors.
