Closure of Dam East Recreation Area and Carlyle Lake Main Dam Repairs

Carlyle Lake – The Carlyle Lake Project will be closing the Dam East Recreation Area to the general public from Tuesday, September 13th at 10:00 p.m. through Wednesday, September 14 at 5:00 p.m. The closest available boat ramps to Dam East Recreation Area are the Dam West Boat Ramp located on the southwest section of the lake or Allen Branch Boat Ramp and Apache Boat Ramp located in Eldon Hazlet State Park.

Carlyle Lake Main Dam Piezometer repairs will begin Monday, September 26th and continue through Friday, September 30th. The Main Dam Road will be closed daily during this period from 7:00 a.m. through 7:00 p.m. Many visitors use the existing Main Dam Road for recreational opportunities. Visitors wishing to enjoy walking, running or bike riding should consider using the newly constructed Carlyle Lake Bike Trail located around the lake and through the City of Carlyle.

For more information about Carlyle Lake, contact the Carlyle Lake Project Office at (618) 594-2484 or email at carlylelake@usace.army.mil.
