

# SPECIAL PUBLIC NOTICE

**US Army Corps  
of Engineers  
St. Louis District**

---

## **PERMIT ISSUANCE:**

We wish to inform all of you that the Corps of Engineers, St. Louis District, has issued a Section 404 permit to Waste Management, Incorporated, for the placement of fill material into waters of the United States in association with the construction of the North Milam Recycling and Disposal Facility near the Cahokia Mounds National Historic Landmark in Madison County, Illinois.

St. Louis District Commander, Colonel Lewis F. Setliff III, signed the final permit on Monday, March 3, 2008.

We thank all of you for your interest in the project, your questions and your concerns during the lengthy permit process.

**CONTACT INFORMATION:** If you have any questions or comments concerning this matter, please contact Mr. Danny McClendon at [danny.d.mcclendon@usace.army.mil](mailto:danny.d.mcclendon@usace.army.mil) or Mr. Keith McMullen at [keith.a.mcmullen@usace.army.mil](mailto:keith.a.mcmullen@usace.army.mil) or by facsimile at 314-331-8741

**NOTE:** The public notice will be posted on the St. Louis District Regulatory web page at the following address: <http://www.mvs.usace.army.mil/ConOps/permits/pn.htm>
