Mark Twain Lake Offering Unpaid Internship Opportunities

Mark Twain Lake, Monroe City, Missouri – The U.S. Army Corps of Engineers at Mark Twain Lake is currently seeking college students for unpaid summer internships. Interns may be eligible through their college or university to receive academic credit for their internship. Unpaid, hands-on learning opportunities are available in the areas of recreation management, public relations, visitor assistance, natural resources, biology, forestry and education on this 54,000 acre project. Interns will be able to experience all aspects of public land stewardship. Internships may be scheduled for any time period during the months of April through December 2013. Durations can be adjusted to fulfill academic requirements as needed.

Any college student interested in natural resource management, parks and recreation, education, public affairs, marketing and customer service should call (573) 735-4097, email an inquiry to marktwaininfo@usace.army.mil or stop by the Mark Twain Lake Project Office on Route J, just north of Clarence Cannon Dam, weekdays 8:00 a.m. to 4:30 p.m. to request an interview for this opportunity.
