CAST For Kids

CAST for Kids is a special event that offers a special opportunity for disabled and disadvantaged children to learn about fishing. They are paired with a volunteer fisherman for a few hours of fishing on the lake, treated to a picnic lunch and presented with their fishing gear to take home. The event is made possible from donations and volunteers. Volunteer boaters and the kids are each given a unique experience that encourages family participation and promotes life-long sport fishing. Sponsors include: Mark Twain Lake Bassmasters, Indian Creek Marina, Indian Creek Marina Slip Renters, C & R Market, Culligan, CAST for Kids Foundation, NEMO Bait Company, United Missouri Bank and Hannibal National Bank.
