## **Park Attendant Positions at Mark Twain Lake**

Mark Twain Lake—February 7, 2008----The US Army Corps of Engineers at Mark Twain Lake is looking for motivated individuals and couples that would be interested in providing Volunteer Park Attendant/Host services.

Over the years, the US Army Corps of Engineers has used volunteers to perform a variety of tasks at Mark Twain Lake. Responding to an increased interest in volunteering, the Corps has decided to make available, Volunteer “Park Attendant/Host” positions in the campgrounds at Mark Twain Lake. The Volunteer Park Attendant will assist visitors by providing services when the contracted Park Attendants are not on duty. A free campsite is available for volunteers that agree to offer these services.

Volunteer Park Attendant/Host applications will be accepted until March 6, 2008. The campgrounds will open on April 4, 2008 and close in November. Park Host should expect to work approximately 32 hours/week with emphasis on weekend and holiday hours. The following duties are required; working with the computer based reservation system, staffing the campground fee booth, checking-in campers, marking/posting incoming reservations, answering the phone, and a variety of tasks to assist visitors.

Volunteer Park Host applications are available on line at the US Army Corps of Engineers Volunteer Clearinghouse <http://www.lrn.usace.army.mil/volunteer> or by phoning 1-800-865-8337. Application can also be pickup at the Mark Twain Lake Project 20642 Hwy J, Monroe City, MO.

For more information for this position, contact Park Ranger Steven Wagner at 573-735-4097.
