Subject: Interview concerning Iowa Army Ammunition Plant Experiences

Mr. Joe Shannan
530 Spring Street
W. Burlington, Iowa 52655

Dear Mr. Shannan:

I am writing to you to request your permission to obtain a copy of your interview with Mr. Fix and Mr. Bihl, of ORAU, concerning your work experience at the Iowa Army Ammunition Plant. Mr. Bihl suggested that it would be prudent to obtain your permission before it would be released to the Corps.

We are currently gathering any historical information that may be helpful to our mission of cleaning up the contamination due to Atomic Energy Commission activities at the Plant. Your interview was mentioned in the NIOSH Dose Reconstruction Technical Basis Document and there are a number of quotes that are attributed to you that could shed some light on a few questions we have concerning Line 1 and the Firing Sites.

Should you wish to talk to us, we would be willing to meet with you during one of our frequent trips to the Plant, or you contact Mr. Brian Harcek at (314) 260-3915 or Ms Jacqueline Mattingly at (314) 260-3924.

Sincerely,

A handwritten signature in cursive script, reading "Sharon R. Cotner".
