

## For More information on the FUSRAP Proposed Plan for the **IOWA ARMY AMMUNITION PLANT**

The Formerly Utilized Sites Remedial Action Program (FUSRAP) Proposed Plan (PP) for the Iowa Army Ammunition Plant (IAAAP) is available for public review and comment. The public is encouraged to review and comment on the PP and the supporting analysis and information available in the administrative record. Your comments are important to USACE, and all comments will be considered and addressed in the development of the Record of Decision.

The PP and supporting analysis may be read during normal business hours at:

**Burlington Public Library**/210 Court Street/Burlington, IA

Or by accessing the **IAAAP FUSRAP administrative record** online at  
[www.mvs.usace.army.mil/eng-con/expertise/fusrap-IAAAP.html](http://www.mvs.usace.army.mil/eng-con/expertise/fusrap-IAAAP.html)

Please direct comments or questions concerning the FUSRAP PP for the IAAAP to:  
**U.S. Army Corps of Engineers, St. Louis District.** FUSRAP Project Office  
8945 Latty Avenue. Berkeley, MO 63134. 314-260-3905
