Re: Draft Final FUSRAP Feasibility Study Report and Proposed Plan for the Iowa Army Ammunition Plant Superfund Site, Middletown, Iowa

Dear Ms. Cotner:

The United States Environmental Protection Agency (EPA) has received the referenced documents on behalf of the Iowa Army Ammunition Plant (IAAAP), formerly Utilized Sites Remedial Action Program via letter dated March 31, 2011.

EPA has reviewed the responses to comments on the Draft Final Feasibility Study Report and Draft Final Proposed Plan along with the revised documents dated March 31, 2011. EPA has no further comments on these documents.

This letter also formally completes the EPA review period. Please update the schedule accordingly. If you have questions or concerns, please contact me at (913) 551-7763.

Sincerely,

A handwritten signature in blue ink that reads "Sandeep Mehta".
