Melanie and Chris,

I didn't get a response to my previous email, so I'm writing again.

Are you ok with the draft final version of the IAAAP ROD (sent to you around July 12)? I would like to start the process of obtaining the General's signature, but I don't want to do that until DoE and IOWA have accepted the draft final version. EPA has already accepted it.

Please let me know soon so we can get going on the signature.
Thanks
Sharon
