Dear Ms. Cotner:

This letter provides notice that the Environmental Protection Agency (EPA) will be extending its review of the Draft Remedial Investigation (RI) Report for Firing Site Area, Yards C, E, F, G and L, Warehouse 3-01, and Area West of Line 5B by 20 days, as provided by our Federal Facility Agreement. With this extension, EPA's comments on the Draft RI Report will be provided no later than April 17, 2008.

Please feel free to contact me at 913-551-7131 if you would like to discuss this matter.

Sincerely,

Scott Marquess
