Dear Ms. Cotner:

Per our discussions on April 16, this letter documents our agreement to extend the Environmental Protection Agency's (EPA) review of the Draft Remedial Investigation (RI) Report for Firing Site Area, Yards C, E, F, G and L, Warehouse 3-01, and Area West of Line 5B. EPA's review comments on the RI will be provided to the Army by May 2, 2008, consistent with the terms of our Federal Facility Agreement.

Please feel free to contact me at 913-551-7131 if you would like to discuss this matter.
