Subject: Summary of the Radiological Survey Findings for the Iowa Army Ammunition Plant Explosive Disposal Area, Inert Disposal Area, Demolition Area / Deactivation Furnace, and Line 1 Former Waste Water Impoundment Area, Revision B dated March 24, 2006

Mr. Scott Marquess
U.S. Environmental Protection Agency, Region VII
901 North 5th Street
Kansas City, KS 66101

Dear Mr. Marquess:

Please find enclosed a copy of the subject document for your review. Copies of this document are also being provided to Mr. Dan McGhee (Iowa Department of Public Health) and Mr. Steve Bellrichard (Iowa Army Ammunition Plant). Please return any comments on this document to my attention by May 8, 2006.

It should be noted that this is a draft document intended for review only and should not be forwarded to other requestors. As a draft document, it will be superseded by the final report. This document should be destroyed upon receipt of the final report.

If you have any questions regarding this document, please contact Mr. Ron Frerker at (314) 260-3936.

Sincerely,

A handwritten signature in cursive script, reading "Sharon R. Cotner".
