Formerly Utilized Sites Remedial Action Program

Subject: Summary of the Radiological Survey Findings for the Iowa Army Ammunition Plant Explosive Disposal Area, Inert Disposal Area, Demolition Area / Deactivation Furnace, and Line 1 Former Waste Water Impoundment Area, Final version dated June 6, 2006

Mr. Scott Marquess
U.S. Environmental Protection Agency, Region VII
901 North 5th Street
Kansas City, KS 66101

Dear Mr. Marquess:

Please find enclosed a copy of the subject document and a copy of the responses to comments which were furnished on the March 24, 2006 version of the subject document. Copies of both documents are also being provided to Mr. Dan McGhee (Iowa Department of Public Health) and Mr. Steve Bellrichard (Iowa Army Ammunition Plant). If you have any comments please let me know as soon as possible.

It should be noted that this is a final document. As a final document, this supersedes previous documents which should be destroyed upon receipt of this final report.

If you have any questions regarding this document, please contact Mr. Ron Frerker at (314) 260-3936.

Sincerely,

A handwritten signature in cursive script that reads "Sharon R. Cotner".
