

® U.S. ARMY CORPS OF ENGINEERS

**Susan Wilson**  
**Deputy District Engineer for**  
**Programs and Project Management**  
**St. Louis District**

---

**Susan Wilson** was selected as the Deputy District Engineer and Deputy for Programs and Project Management at the St. Louis District in June 2018. As the Deputy for Programs and Project Management she is responsible for the business management of the District and the management of the District's Civil Works, Interagency and International services and Environmental programs.

Susan began her career in private industry working for Teledyne Brown Engineering in Huntsville, AL, and began her career with the St. Louis District in 2004 as a Project Manager. Prior positions within the St. Louis District include District Coordinator for P2, Flood Risk Management Business Line Manager, Chief of Operations Technical and Policy Branch, and Deputy for Engineering and Construction Division. She also completed developmental detail assignments as the Deputy for Operations Division, Strategic Initiatives Coordinator, Mississippi Valley Division P2 Coordinator and the Mississippi Valley Division Flood Risk Management Business Line Manager.

Susan is from southwest Missouri and is a graduate of the University of Missouri-Rolla. She is a licensed Professional Engineer and Project Management Professional.

Susan is married to Chris Wilson and they have three children, Kaitlin, Hannah and James.
