SPECIAL NOTICE TO NAVIGATION INTERESTS

Kaskaskia Lock and Dam on the Kaskaskia River

1. The U.S. Army Corps of Engineers will be performing repair work to Kaskaskia Lock and Dam. The work will include both the Dam structure and the floating guidewall structure. The Corps will work Monday thru Friday 0600-1630 for 8 weeks (until 19 October). Navigation delays may occur during working hours. The floating guidewall structure will also be removed and modified causing a change in the navigational structure of the Lock. At this time no temporary closure of the lock is anticipated during the repair project.
2. All navigation interest should be alert for, and abide by, any special instructions that may be issued by the Lock Operator and/or Project Manager.
FOR THE DISTRICT ENGINEER:

//S//

James M Hill
Kaskaskia River Project Manager
