TO OUR VISITORS

Welcome to Lake Shelbyville and thanks for visiting. Lake Shelbyville is one of five lakes and many miles of river offering exceptional opportunities for water recreational activities managed by the U.S. Army Corps of Engineers St. Louis District. Surrounding these waters are thousands of acres of public land, managed for your enjoyment.

Please become familiar with the rules that apply to your recreational activities. They have been developed to make your visit safe and enjoyable and to preserve natural resources. If you observe anyone performing unsafe acts or violating regulations, please contact a park ranger.

The St. Louis District hosts millions of visitors annually. Regrettably, accidents occur each year. Please be careful in and around the water, on trails, and near bluffs or steep areas. One careless moment can result in a lifetime of regret. Always remember to wear your life jacket when you are on or near the water. If you will not wear it for yourself then wear it for those who love you.

We hope your visit will be a pleasant experience. If you have questions or suggestions, please contact the Lake Shelbyville Project Office at (217) 774-3951 or address on the back of this publication.

VISITOR REGULATIONS

Rules and regulations governing public use of U.S. Army Corps of Engineers water resource development projects are published in Title 36, CFR and are posted on bulletin boards or available from a park ranger. The following additional regulations are in effect for all U.S. Army Corps of Engineers, St. Louis District Projects as authorized in Title 36, CFR 327.12a.

GENERAL

1. The operation of powerless flight devices including, but not limited to sail planes, gliders, balloons, body kites, and hang gliders is permitted. Powerless flight devices shall not be operated on any part of the dam, roads, bridges, or over beaches or other heavy use areas.
2. The use of all kite tubes, defined as a "towable, inflatable device designed to be airborne", are banned from use on Corps managed waters throughout the St. Louis District.

3. All waste water must be collected in a container and disposed of in authorized disposal facilities. In primitive areas where sanitary facilities are not provided, human waste must be buried 100 feet from any body of water and/or campsite.
4. The use of America the Beautiful Senior or Access Pass, Golden Age or Golden Access Passport by someone other than the person to whom it is issued is prohibited.
5. All motorized vehicles operated on roadways on public land administered by the Corps of Engineers must be licensed and operated by licensed drivers.

PICNIC AREAS

6. Picnic areas, designated by the operations manager and marked with appropriate signs, close at 10:00 p.m. Other areas, that are not posted, will remain open to public use.

BEACHES

7. Beach users must stay within designated swim area.
8. Alcohol is prohibited on the sand and water portions of all swimming beaches and other nearby facilities normally associated with beaches that are marked with appropriate signs. These facilities may include, but are not limited to, picnic areas, parking lots, picnic shelters, etc.
9. All glass and other dangerous objects, including, but not limited to, lawn darts and horseshoes, are prohibited on the sand and water portions of swimming beaches.
10. To avoid unsanitary conditions, all food, pets, and waste materials are prohibited on the sand and water portion of swimming beaches and other posted areas.

CAMPING

11. A responsible person must register and pay fees within a reasonable time after a camp is established or when the fee booth opens. Check out time is 4 p.m. Reservation sites will be available for occupancy when available, but not later than 5 p.m.
12. At Lake Shelbyville the majority of sites are classified as single capacity sites. The only exceptions are designated double sites, which are double capacity sites.

- a. Single capacity sites are limited to one recreational vehicle or trailer and three tents. If no recreational vehicle or trailer is on the site, a maximum of four tents is permitted.
- b. Double sites are limited to two recreational vehicles or trailers and six tents. If no recreational vehicles or trailers are on the site, a maximum of eight tents is permitted.
- c. The maximum number of people permitted to stay overnight on a single capacity site is eight. Up to sixteen people are permitted to stay overnight on double capacity sites.

13. Campground roads and facilities are to be used by registered campers and their visitors only. Interfering with, or restricting the use of the shoreline by boaters or other lake users is prohibited.
14. All wheeled vehicles, including but not limited to mopeds, minibikes, boat trailers, motorcycles, and other vehicles, must be kept on camping pads registered to vehicle users or in designated parking areas. All motor vehicles must be parked lengthwise on the camp pad except at sites with irregularly shaped pads. Empty boat trailers may be stored on the grass provided that they are moved onto and off the grass by hand.
15. Picnic tables and lantern holders must remain on gravel surfaces at campsites with gravel impact areas.

Lake Shelbyville Specific Boat Rafting Policy

Up to 5 boats are allowed in a raft without requiring a special use permit. No more than 50 people will be allowed on any raft of boats that consists of 5 boats or less. The required distance between each raft of boats is 150 feet. A Special Use Permit, which is free of charge, is required for rafts of boats consisting of more than 5 boats and up to 20 boats. A permit can be requested no more than 30 days in advance. A primary and an alternate rafting location can be chosen when applying for a permit. For more information or to obtain a boat rafting special use permit call 217-774-3951 Ext 2.

VISITOR CENTER

The visitor center opened in May 2011 and is located within the Dam East Recreation Area. It includes a 2500 square foot exhibit room, grand lobby with information station, sales area, meeting room, resource library, free wireless internet, outdoor patio with covered observation platforms, outdoor classroom and butterfly house and garden.

Visitor Center Hours:

October 14 – April 30

Monday - Friday 9:30 a.m. – 4:30 p.m.

May 1 – September 1, (Labor Day)

Sunday - Thursday 9:30 a.m. – 4:30 p.m.

Friday & Saturday 9:30 a.m. – 6:30 p.m.

September 2 – October 13 (Columbus Day)

Monday – Sunday 9:30 a.m. – 4:30 p.m.

To reserve the visitor center meeting room and/or the outdoor classroom for public or private events call 217-774-3951 ext 2.

TOURS OF THE LAKE SHELBYVILLE DAM

The tours start at the Lake Shelbyville Visitor Center.
Tours are held from Memorial Day Weekend until Labor Day on Saturdays and Sundays at 3 p.m.

CAMPGROUND & BEACH PROGRAMS & NATURE HIKES

Park rangers present programs on a number of topics related to the natural and cultural resources, as well as programs about safety. Programs are presented in selected campgrounds at the amphitheaters at public beaches and on trails throughout the summer. All of the programs are free and are fun for the entire family. Look for program flyers posted in the campgrounds and on information boards located in all recreation areas.
