

CONTROLLED DOVE HUNT APPLICATION

U.S. Army Corps of Engineers
Lake Shelbyville

GENERAL INFORMATION

1. Hunting in Whitley Creek and South Sand Creek Dove Fields at Lake Shelbyville will be by permit only on September 1st. On September 2nd and throughout the remainder of the 2015 dove season, hunting will be on a first-come, first-served basis.
2. A public drawing will be held to allocate permits on August 13, 2015 at 8 a.m. at the Lake Shelbyville Project Office. Applications for the drawing must be received in the Lake Shelbyville Project Office no later than 4:00 p.m. on August 12.
3. To be eligible for the permit drawing, you must submit the official 2015 Dove Hunting Permit application form below. All successful applicants will only be allowed to hunt once, either the A.M. or P.M. slot, not both. Additionally, all **YOUTH** hunters will have drawing preference.
4. All requested information must be provided on the application form. Incomplete or incorrect applications will be returned. Once your application has been submitted, changes will not be made.
5. A \$30 permit issuance fee will be assessed per blind (good for two hunters), payable at the time of application. In lieu of an application fee, each successful **YOUTH** applicant must make a donation of **10** non-perishable food items the day of the hunt at Whitley Creek and South Sand Creek Fields. The non-perishable food items will be donated to a local food bank. Successful and unsuccessful applicants will be notified by phone no later than August 18th. Checks or money orders submitted by those who are not successful in the drawing will be refunded as soon as possible after the drawing date. A \$30 check or money order must accompany each permit application. Checks must include name, address, Driver's License number, and telephone number. Permits are non-transferable and individuals may not submit more than one application.
