## **Informational Public Notice**

### **U.S. Army Corps of Engineers New Issuance of Regional Permit 44 Fill Material Placed for Utilities in Waters of the United States For the State of Illinois**

The U.S. Army Corps of Engineers, St. Louis District, **HAS ISSUED** Regional Permit 44 for Fill Material Placed in Waters of the United States for Utilities in the State of Illinois under the authority of Section 10 of the Rivers and Harbors Act of 1899 (33 USC 403) and Section 404 of the Clean Water Act (33 USC 1344).

**Duration of this General Permit.** The general permit has been issued and is in effect for ~five (5) years from April 7, 2021 until December 31, 2025, unless revoked or specifically extended.

**Notification Procedures.** Permit applicants must notify the St. Louis District Regulatory Branch to receive authorization under this general permit. The notification must include detailed drawings and sufficient information to determine if the proposed work conforms to the criteria and conditions of the general permit. A Department of the Army (DA) permit application, ENG Form 4345 or ENG Form 6082, must be used for this purpose. You may request a copy of these permit application forms from the St. Louis District Regulatory Branch at 1222 Spruce Street, St. Louis, MO 63103-2833, Telephone: 314-331-8575, or the form is also available to download at:  
<https://www.mvs.usace.army.mil/Missions/Regulatory.aspx>

If the Corps determines that the work meets the provisions of the general permit, and no extraordinary conditions exist that warrant evaluation as an individual permit, the proponent will be notified to proceed. If the Corps determines that the subject work does not meet the provisions of the general permit, or that extraordinary conditions exist, the applicant will be notified that an individual permit will be necessary. Additional information concerning limitations and general and special conditions of the permit can be obtained by contacting our office referenced above.

**Conditions of this General Permit.** All activities authorized by this general permit must comply with the general and special conditions, and appendices of the enclosed copy of general permit No. RP 44.
