Special Notes:

- The following areas are closed from October to December 31:
 Two Rivers National Wildlife Refuge-Batchtown Division - IL side river mile 246 to 252 (hashed area)
 Batchtown State Fish & Wildlife Management Area - IL side river mile 242 to 246 (hashed area)
 Boat ramps located at Site Numbers 37, 38, 41, 44 will be closed.
 Portages B and C will be closed.
 Boat ramp at Site Number 44 will remain open to the main river channel during this time frame.
- Site #30 - City of Hamburg - Camping area is two blocks north of boat ramp.
- Site #31 - Prairie Slough - No portage, therefore no access to main river channel from this location.
- Drawdowns may occur during paddling season, leaving little or no water in some areas. This includes areas completely isolated from the river and backwater sloughs.
- River and Temperature gages can be viewed at: <http://mvs-wc.mvs.usace.army.mil/trans/gages.html>.
 For more detailed river maps use Navigation Charts: <http://www.mvs.usace.army.mil/navigation1/NavCharts.html>.
