Information Paper

Clarence Cannon Dam and Mark Twain Lake, MO

The Flood Control Acts of 1938 and 1962

Operation and Maintenance (FRM)

Location and Description: The project is located on the Salt River at Mile 63 above its confluence with the Mississippi River. Mark Twain Lake is located 15 miles south of Monroe City, MO, and 140 miles north of St. Louis, MO. This multi-purpose project provides flood risk management, hydropower, water supply, navigation storage, pollution abatement, fish and wildlife conservation, and recreation. It consists of 54,000 acres and has 500 campsites, 17 boat ramps, 2 marinas, 41 miles of trails, the M.W. Boudreaux Memorial Visitor Center and Mark Twain State Park.

- Flood Risk Management; Hydropower; Recreation; Environmental Stewardship; Water Supply; Navigation
