DEPARTMENT OF NATURAL RESOURCES
MEMORANDUM

Division of Energy
Division of Environmental Quality
Division of Geology and Land Survey
Division of Management Services
Division of Parks, Recreation,
and Historic Preservation

RECEIVED
MAY 26 1992
DEQ ADMIN

DATE: May 21, 1992
TO: David Bedan, Div. of Environmental Quality
FROM: *KH* Kurt Hollman, Geologist, Environmental Geology Section
SUBJECT: Field Sampling Plan for the St. Louis Site (FUSRAP)

The Field Sampling Plan for the St. Louis Site (FUSRAP) appears to be thorough and addresses DGLS concerns adequately.

DGLS is pleased to see that the sampling plan calls for the installation of as many as 11 monitor wells at HISS. However, DGLS is still waiting to see a response to DGLS comments dated 2/19/92. (EPA comment #9).
