

MINUTES
LOCAL PRIORITIES WORKING GROUP

May 24, 1995

The meeting was called to order at 9:45 a.m. by Tom Binz. Those in attendance were:

Tom Binz, Laclede Gas
Bob Shelton, City of Berkeley
Jan Titus, Lambert Airport
Kay Drey, Coalition for the Environment
Lorraine (Lori) Batton, City of Berkeley

SLAPS PROPOSAL. Mr. Binz advised the group the Water Company is going to aggressively oppose the shielding on the SLAPS Site, and reported a meeting is to be held by Metropolitan Sewer District, Union Electric, St. Louis County Water Company, Laclede Gas Company, and Southwestern Bell to discuss common themes that may exist. They will also be addressing dealing with emergency controls. They will possibly be meeting with the DOE. Mr. Binz mentioned the OSHA requirements, e.g. training requirements to work in this type of material. Mr. Binz said the liability issue needs to be clearly understood. Mr. Binz said one option to be considered by the utility companies is the relocation of their lines in the area of the contaminated material.

MATRIX. The group commenced preparing amendments to the MATRIX, and certain changes were made to the first two pages. Those pages, as amended, will be faxed by Ms. Batton to Mr. Frauenhoffer. (Attachment No. 1)

The following information was distributed at the meeting:

- o Map for "Hot Spot Shield Construction Area," DOE. This map was provided by Mr. Binz, and it is indicated it was "received 4/27/95." This is available in Ms. Batton's office.
- o Letter dated May 19, 1995 from the DOE to Congressman Gephardt. This letter was provided by Jan Titus, who requested this be distributed to the group. (Attachment No. 2).
- o Map, "Areas and Depths of Radioactive Contamination at the SLAPS." It is indicated on the map it is from Bechtel National, Inc. for the DOE, 8/87. It is also indicated, "St. Louis Airport Characterization Report." This is available in Ms. Batton's office.

o Map of Mallinckrodt Chemical, from "Radiological Survey of the Mallinckrodt Chemical Works, St. Louis, Missouri by Oak Ridge National Laboratory for the DOE, 12/81. (Attachment No. 3) This was provided by Ms. Drey.

The next meeting of the group will be Wednesday, May 31, 1995, 9:30 a.m. in the Berkeley City Hall, 6140 North Hanley Road, Berkeley, Missouri.

Meeting adjourned at 11:15 a.m.

Note: After the meeting concluded, it was noted the DOE had faxed information regarding "Degree of Contamination" and "Volume". This is being mailed to each member of the group to enable review prior to the next meeting. (Attachment No. 4)
