Re: Comments on Fourth Quarter Calendar Year 2001 Quarterly Progress Report

Dear Ms. Cotner:

The department's Federal Facility Section (FFS) has completed reviewing the above-referenced document. The FFS has noticed that there was no mention of the sampling activities that have occurred on the Vicinity Property 24. The department would like to see this mentioned in next quarter's progress report. We feel this is a significant issue as it reflects the need for long-term stewardship.

Sincerely,

HAZARDOUS WASTE PROGRAM

Jill Groboski
Environmental Engineer
Federal Facilities Section
