Formerly Utilized Sites Remedial Action Program

SUBJECT: North St. Louis County Haul Road Analysis and Justification for Additional Investigation-Evaluation of Inaccessible Materials Beneath Pavements, Revision B1 dated September 15, 2004

Mr. Dan Wall
U.S. Environmental Protection Agency
Region VII, Superfund Branch
901 North Fifth Street
Kansas City, KS 66101-2907

Dear Mr. Wall:

Enclosed is a copy of the North St. Louis County Haul Road Analysis and Justification for Additional Investigation-Evaluation of Inaccessible Materials Beneath Pavements, Revision B1 dated September 15, 2004. This document is being provided as a courtesy since it does not constitute a primary or secondary document as identified by the 1990 Federal Facilities Agreement. This document compiles raw and analytical information in administrative records that have been previously provided to the U.S. Environmental Protection Agency and Missouri Department of Natural Resources.

Copies of this document are also being provided to Mr. Robert Geller and Mr. Eric Gilstrap (Missouri Department of Natural Resources); Ms. Enola Cuffolt-Tullos (St. Louis County Department of Highways & Traffic); Mr. Tom Manning (City of Hazelwood); and Mr. John Langerak (City of Berkeley). Please return any comments on this document to my attention by September 30, 2004.

It should be noted that this is a draft document intended for review only and should not be forwarded to other requestors. As a draft document, it will be superceded by the final report. This document should be destroyed upon receipt of the final report. If you have any questions regarding this document, please contact Ms. Jacqueline Mattingly at (314) 260-3924.

Sincerely,

Sharon R. Cotner
FUSRAP Program Manager
