RE: North St. Louis County Haul Road Analysis, Rev B1, dated September 15, 2004

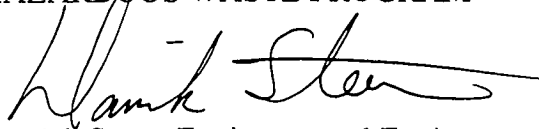

Dear Ms. Cotner:

The Missouri Department of Natural Resources received the above reference document for review and comment on September 20, 2004. Due to the short comment period, coupled with the other pending documents, the department is not able to submit comments by September 30, as the your letter requested. The department feels that this document, although not designated as a primary document, is making decisions of no further action, and requires a comprehensive review by the regulatory agencies. Therefore, the department will be formulating comments on this document and will forward them to your office by October 20, 2004. We request this document not be finalized until our comments have been received and addressed by the USACE.

We appreciate the opportunity to review and comment on this document and trust you will consider our request. If you have any questions or need further clarification, please call me at (573) 751-3087. Address any written communication to the Missouri Department of Natural Resources, Hazardous Waste Program, P.O. Box 176 Jefferson City, MO 65102-0176.

Sincerely,

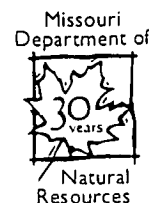

HAZARDOUS WASTE PROGRAM

  
Darrick Steen, Environmental Engineer  
Federal Facilities Section
