Dear Sharon:

As a result of our conversation, I appreciate the consideration of examining the clean-up and release of Area I marked on the attached map. This would allow us to add a building in order to retain our new tenants while clean-up of Area II could be addressed.

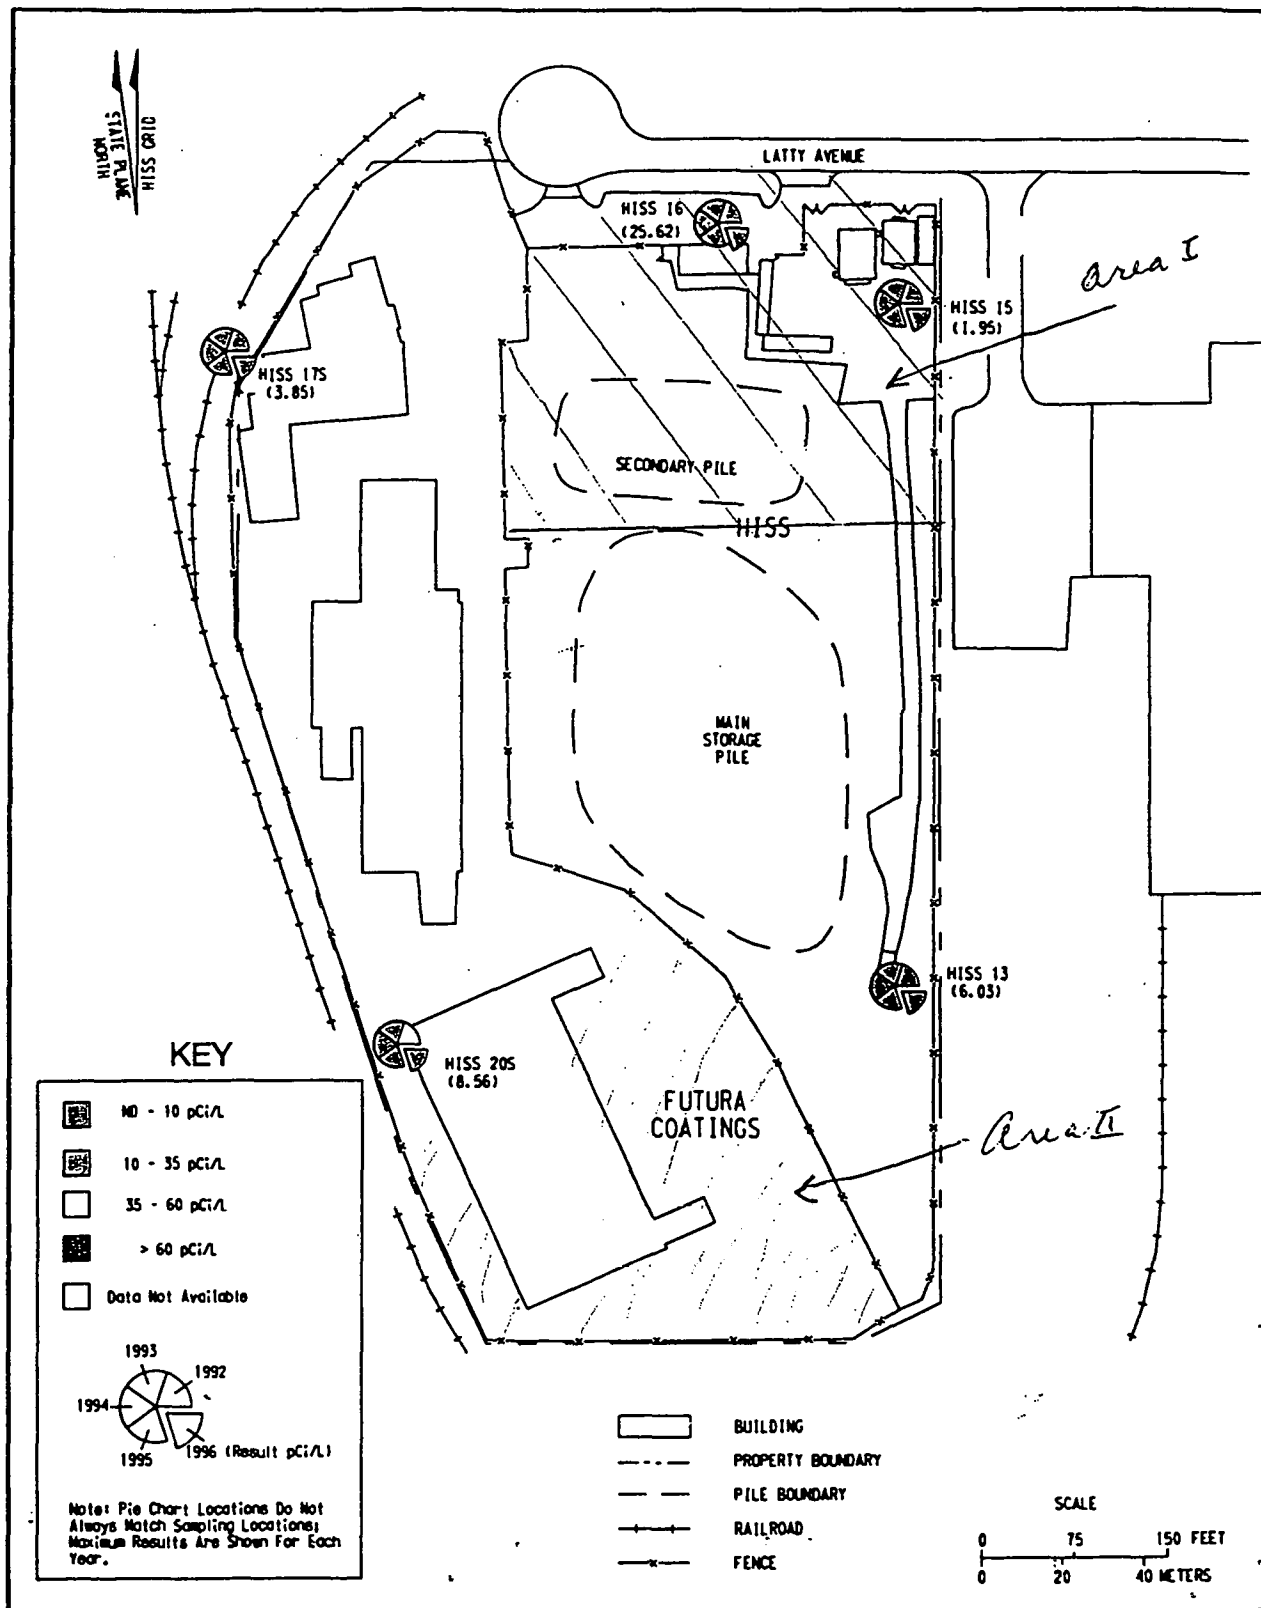

As I have stated before, I believe that our situation has been ignored and actually should have taken precedence in the funding procedure over the past 20 years. I am anxiously looking forward to any conclusions that may be favorable to prevent losing our tenant and the property from becoming a valueless bunch of empty buildings.

Very truly yours,

E. Dean Jarboe
