Subject: Second Request for Extension of Comment Period for Document Entitled "Derivation of Site-Specific DCGLs for North County Structures"

Mr. James G. Votaw
Wilmer Cutler Pickering Hale and Dorr, LLP
1455 Pennsylvania Avenue, N.W., 10th Floor
Washington, DC 20004

Dear Mr. Votaw:

I am writing in response to a facsimile received August 13, 2004 by our Formerly Utilized Sites Remedial Action Program (FUSRAP) office. You requested an additional extension to the public comment period for the above-referenced document. As you and I discussed this morning, the public comment period will accordingly be extended until August 23, 2004. You agreed that it would be feasible for your client to provide comments by 8:00 AM on that date.

I appreciate your flexibility in this matter. If you have any questions, please feel free to contact me, at (314) 331-8192.

Sincerely,

Elizabeth Ann Pitrolo
Assistant District Counsel
