RE: North County ROD (Record of Decision)

Ms. Sharon Cotner,

I am on the Hazelwood City Council, representing Ward 6 since 1981. For many years I have represented the immediate area including and surrounding the radioactive Latty Avenue Site.

As City Council member I became, and still am, in close touch with the residents of Hazelwood living in proximity of the site. Please know that there are several "old-timers" still living there, in addition to some younger ones who have moved in. They reside on large properties and have beautiful houses. The streets in question, in Hazelwood, are Nyflot Avenue, Carmel Court and Heather Lane. The family whose home is at the intersection of Heather Lane and Hazelwood Avenue has four young children.

For their well being and safety, and the businesses and other residents in the area, as a member of the Hazelwood City Council, I urge Congress to place this site on the Record of Decision.

Very truly yours,

Jeanette Eberlin-Rizzello
