Ruth, please forward the following message to everyone on the St. Louis Oversight Committee meeting e-mail distribution list.

Thanks in advance! Jacque

As many of you have likely heard, Friday has been declared a federal holiday in honor of former President Regan's passing. Ric has asked me to inform you that the June meeting has been canceled. We looked at rescheduling the meeting, but cannot get the schedules to work out. Instead, we'll see you on July 9th at the next regularly scheduled meeting.

Jacque

Subject: Re: Federal holiday 11 June

Life just keeps getting more complicated.....

Assuming that your office will be closed on Friday (and you folks not present), I guess we would have to cancel the meeting on Friday. (I would even suggest trying to push it off until the following Friday, but I can't do it that day).

Would you e-mail everyone about the cancellation?

Thanks.

Sharon and I are out of town until Thursday evening at the annual FUSRAP conference. We just received word that Friday has been declared a Federal Holiday in honor of former Pres. Regan's passing. How do you want to handle the Oversight Meeting on Friday?

Subject: President George W. Bush Closes Federal Offices In Respect To Former President

To all Federal employees: President Bush has signed an Executive Order that designates this Friday, 11 June, as a National Day of Mourning - to be treated as a Federal holiday for pay and leave purposes. Government facilities that can be closed will be closed and Federal employees given the day off as with other holidays. Employees assigned to facilities that may not close, who cannot be released from duty, will receive holiday pay if Friday is a regularly scheduled workday. Employees whose work schedules do not include Friday should be given an "in lieu of" holiday on the workday immediately preceding Friday. Part time employees whose work schedules do not include Friday do not receive an "in lieu of" holiday day off. Employees previously scheduled to take leave on Friday will not be charged with leave on that day.

Should you have questions, please give me a call or email me. Below is the OPM website link with specifics.
