REPLY TO  
ATTENTION OF:

Formerly Utilized Sites Remedial Action Program Project Office

Dear Librarian:

Enclosed is a copy of the draft Engineering Evaluation/Cost Analysis (EE/CA) document, prepared by the St. Louis District of the U. S. Army Corps of Engineers, on the removal of contaminated materials at the St. Louis Airport Site (SLAPS), in North St. Louis County. This report should be made available for public review beginning today through April 6, 1998. Additionally, I would like to request that you keep this document on file after the review and comment period has ended.

I have also enclosed a document review sheet to be utilized in assisting the Corps of Engineers to maintain a record of document reviewers. The public notice that appeared in today's paper announcing its availability has also been included for your convenience. Next week, you can expect to receive a draft copy of the Hazelwood Interim Storage Site (HISS) EE/CA (also located in North St. Louis County) and its public meeting notice. This EE/CA should be made available to the public beginning March 10, 1998 through April 9, 1998. I would also appreciate it if you keep this document on file after the review period has ended. Please post this notice on bulletin boards and at any other locations in your facility you deem appropriate.

Thank you for your assistance informing the public of our work in the area. Please call me at (314) 524-3364 if you have any questions or require additional information.

Sincerely,

Louis A. Dell'Orco  
FUSRAP, Deputy Program Manager

## Public Meeting

The St. Louis District of the U.S. Army Corps of Engineers invites interested citizens to take part in a public discussion to review and comment on the various alternatives outlined in two Engineering Evaluation/Cost Analysis (EE/CAs) documents. These EE/CAs focus on the removal of residual radioactive waste material at the St. Louis Airport Site (SLAPS) and the Hazelwood Interim Storage Site (HISS). The actions described in these two documents are designed to expedite the removal of contaminated materials in the St. Louis area resulted from activities associated with the development of the atomic bomb in the 1940s and 50s.

The meeting will be held on Tuesday, March 17, 1998 at:  
Hazelwood Civic Center-East  
8969 Dunn Road  
Hazelwood, MO 63042  
6:00 p.m. - 9:00 p.m.

The poster board session will begin at 6:00 p.m., followed by a formal presentation beginning promptly at 7:30 p.m. with an opportunity to make statements or ask questions.

Anyone wishing to have a written response must submit their question(s) in writing during the meeting or the 30-day comment period for each of the documents.

Comments on the SLAPS EE/CA may be submitted now through April 6, 1998. Comments on the HISS EE/CA may be submitted now through April 9, 1998.

For more information, contact the USACE Public  
Information Center at (314) 524-4083.

## **US Army Corps of Engineers®**

St. Louis District

The U.S. Army Corps of Engineers is seeking public comment on two Engineering Evaluation/Cost Analysis (EE/CA) documents for the Removal of contamination at the St. Louis Airport Site (SLAPS) and at the Hazelwood Interim Storage Site (HISS).

The St. Louis District of the U.S. Army Corps of Engineers has prepared two draft EE/CAs in support of the removal of residual radioactive waste material at the St. Louis Airport Site (SLAPS) and the Hazelwood Interim Storage Site (HISS). The proposed interim actions described in these two documents are designed to expedite the removal of contaminated materials in the St. Louis area that resulted from activities conducted in the 1940s and 50s as part of the nation's nuclear weapons program.

Starting March 5, 1998, the SLAPS EE/CA will be available for public review at the following locations:

**St. Louis Public Library  
Government Information Section  
1301 Olive Street  
St. Louis, MO**

**Julia Davis Branch  
4415 Natural Bridge  
St. Louis, MO**

**St. Louis County Library - HQ  
1640 S. Lindbergh Blvd.  
Clayton, MO**

**Prairie Commons Branch  
915 Utz Lane  
Hazelwood, MO**

**Washington University  
One Brooking Drive  
St. Louis, MO**

**USACE Public Information  
Center  
9170 Latty Avenue  
Berkeley, MO**

Beginning March 10, 1998, the HISS EE/CA will be available at the same locations.

For 30 days, after the issuance of each of these documents, the St. Louis District of the U.S. Army Corps of Engineers will be accepting public comment. Written comments on the SLAPS EE/CA may be submitted through April 6, 1998. Written comments on the HISS EE/CA may be submitted through April 9, 1998.

All comments are to be sent to:

**Rob Mullins, FUSRAP Project Manager  
U.S. Army Corps of Engineers - Public Information Center  
9170 Latty Avenue  
Berkeley, MO 63134**

Copies of the EE/CAs may be requested by contacting the USACE Public Information Center at (314) 524-4083. You may also view the EE/CAs by accessing the FUSRAP Homepage:
