MEMORANDUM

TO: Oversight Committee Members
Other Interested Parties

FROM: Richard R. Cavanagh, CHE *RC*
Chairperson

RE: February Meeting Location

The next meeting of the FUSRAP Oversight Committee will be February 12, 1999, 11:30am.

Please note that the meeting will be hosted by Mallinckrodt and will take place at the Mallinckrodt St. Louis Plant on North Broadway. (See the attached map for details).

Jack Fraenhoffer has informed me that Mallinckrodt will provide a light lunch. He also suggests that everyone dress comfortably and with good shoes since a tour of the Mallinckrodt site is scheduled as part of the meeting.

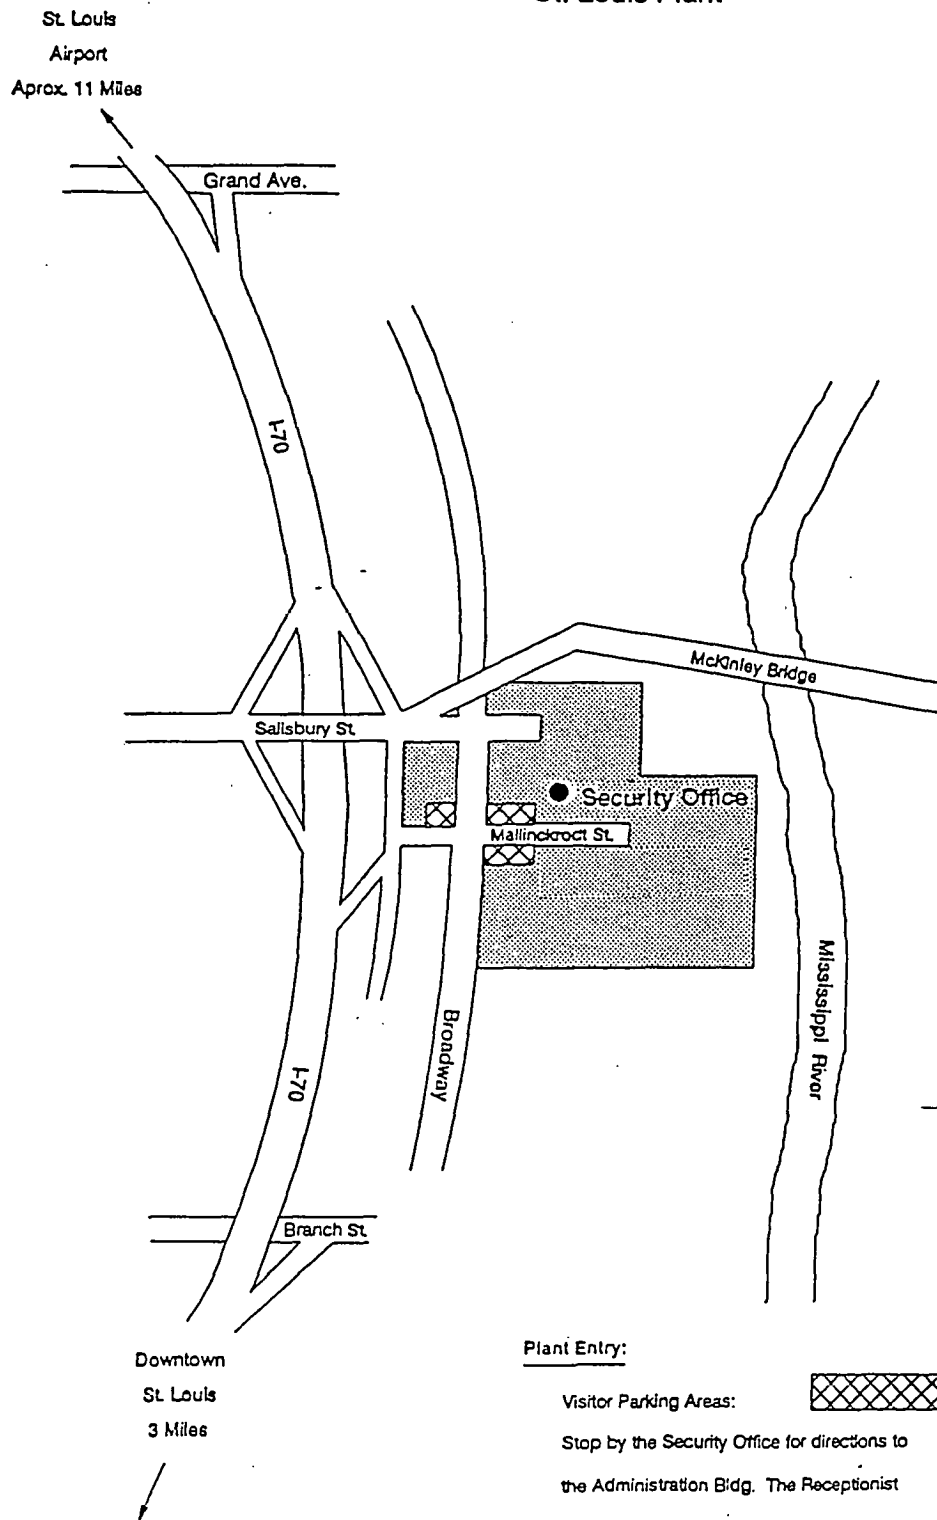

Park in one of the three visitors lots and report to the Security Office where you will be assigned a hard hat and goggles. We will then proceed to our meeting room. Call Jack at 539-1112 if you have questions on logistics.

Even though our January meeting was canceled due to the weather, I have enclosed copies of the handouts that were to be provided to us at the meeting.
