SUBJECT: Location of Chain of Custody Documentation

Dear Mr. Freeman:

On behalf of the Army Corps of Engineers, Science Applications International Corporation (SAIC) has collected soil samples from background locations for the St. Louis Downtown sites (SLDS). Chain of Custody documentation and hard copies of analytical data are currently stored in Oak Ridge, Tennessee under the control of Mr. Nile Luedtke (423)481-8751.

Permanent record storage will occur as directed by the USACE. Only data collected in the summer of 1998 is currently stored by SAIC. Please contact me at (314)524-7516 if you have any questions regarding this matter.

Sincerely,

SCIENCE APPLICATIONS INTERNATIONAL CORPORATION
