Reference: Public comments in response to SLDS FS/PP dated April 1998

Dear Dr.Mullens:

Since the FUSRAP meeting this morning, certain residents of the neighborhood surrounding Mallinckrodt have contacted me and expressed unhappiness about their ability to comment on the above noted document and associated decision. Perhaps an extension of the comment period would be reasonable to allow these unheard voices to given an chance to comment.

Sincerely,

A handwritten signature in black ink, appearing to read "Donovan Larson". The signature is fluid and cursive, with a large initial "D" and a long horizontal stroke at the end.
