US Army Corps of Engineers FUSRAP Proposed Plan

The U.S. Army Corps of Engineers (USACE) St. Louis District Formerly Utilized Sites Remedial Action Program (FUSRAP) is seeking public comments on the Proposed Plan for No Further Action for the Inaccessible Soil Operable Unit Associated with Group 1 Properties at the St. Louis Downtown Site. Based on the results of environmental investigations and a risk assessment, this Proposed Plan describes the preferred remedy for the inaccessible media at the Group 1 Properties as being "No Further Action" in order to maintain protection of human health and the environment. Public review and comment on the Proposed Plan is a step in the process leading to a Record of Decision for the Inaccessible Soil Operable Unit media at the Group 1 Properties. The Proposed Plan and the Administrative Record File are available for public review at the following locations:

St. Louis Public Library
Government Information Section
1301 Olive Street, St. Louis, MO 63103

United States Army Corps of Engineers
St. Louis District FUSRAP Project Office
8945 Latty Avenue, Berkeley, MO 63134

USACE will conduct a public meeting to present the proposed remedy of "No Further Action" and to accept comments on the Proposed Plan. This meeting will occur on January 30, 2014 at 4:30 pm at Clay Elementary School, 3820 North 14th Street, St. Louis, MO 63107. The USACE St. Louis District will be accepting written public comments during the 30-day period through February 13, 2014. Comments should be sent to:

Ms. Sharon Cotner
FUSRAP Program Manager
8945 Latty Avenue, Berkeley, MO 63134

The Proposed Plan and other supporting documents can be viewed on the St. Louis District FUSRAP Website.
