

Questions

US Army Corps
of Engineers®

- Please take advantage of the Poster Session segment of this meeting to ask any questions that you may have.
- Only oral comments will be taken during the Public Hearing. Please note that questions will not be answered during the Public Hearing.
- Written comments and/or questions may be left in the comment box on the sign-in table. These will be addressed in writing in the Responsiveness Summary section of the Final Record of Decision.
- If you are unable to ask your question during the Poster Session, please see one of the meeting Greeters in the back of the room for assistance.

Speaking

US Army Corps
of Engineers®

- Sign up to speak at the meeting sign-in table.
- Provide your completed registration card to one of the Greeters at the sign-in table.
- Those who signed up to speak will be called to the microphone one at a time.
- When the meeting facilitator indicates that it is your turn to speak, you should proceed to the microphone at the front of the room, introduce yourself, and present your comments.
- Comments may be time-limited depending on the number of people who wish to speak.

Ground Rules

US Army Corps
of Engineers®

- The focus of this meeting is on the FUSRAP Proposed Plan for areas formerly used by the Atomic Energy Commission at the Iowa Army Ammunition Plant.
- Copies of the presentation are available for everyone.
- Everyone will have an opportunity to speak.
- Only oral comments will be taken during the Public Hearing.
- Questions will be answered informally during the Poster Session and after the Public Hearing.
- Written comments and questions will be accepted.
- A verbatim record of these proceedings will be taken.

Forget to Sign-up to Speak?

US Army Corps
of Engineers®

- If you change your mind and would like to speak at the Hearing, you will be provided an opportunity to be heard.
- You will be called on to speak at the end of the hearing after all pre-registered speakers have had their turn.
