Berkeley, Missouri 63134

RE: Remedial Investigation Work Plan for Line 1, Firing Sites Area, Yards C, G and L, Warehouse 3-01, and the West Burn Pads Area South of the Road

Dear Ms. Cotner:

The Iowa Department of Natural Resources, Contaminated Sites Section (IDNR), has received and reviewed the Corps of Engineers' 'Response to Comments' document dated October 27, 2006 for the above referenced work plan for the Iowa Army Ammunition Plant in Middletown, Iowa. IDNR has no comments or concerns with the responses as they do not cause any conflict with State applicable or relevant and appropriate requirements (ARARs). This review is only for ARARs under the jurisdiction of IDNR.

If you have any questions or need further information please feel free to call or e-mail at (515) 281-4171 or [dan.cook@dnr.state.ia.us](mailto:dan.cook@dnr.state.ia.us).

Sincerely,

Daniel Cook  
Environmental Specialist Senior  
Contaminated Sites
