NOTES:
Horizontal Coordinate System:
North American Datum of 1983 (NAD83), projected to the State Plane Coordinate System (SPCS), Missouri East Zone. Distance units in U.S. Survey Feet.

Vertical Datum:
Soundings are shown in feet and indicate depths below the 2014 Low Water Reference Plane.

The information depicted on this map represents the results of a survey conducted on the date indicated and can only be considered to represent the general condition existing at that time.

The location of navigation aids are based on and provided by the U.S. Coast Guard.

DISCLAIMER: The United States Government furnishes this information as a service to the public and does not warrant, represent, or guarantee the accuracy, reliability, or completeness of the information. The user assumes all liability for any use of the information. The data represents the results of data collection/processing for a specific US Army Corps of Engineers project and is not intended for general use. As such, it is only valid for its intended use, content, time and place. The user assumes all liability for any use of the information other than that for which it was intended.
