MEMORANDUM FOR Commander, St. Louis District

SUBJECT: Submittal of River Des Peres, University City, Missouri, General Re-evaluation Report (GRR) Review Plan Package

1. References:

- a. Memorandum, St. Louis District, 28 August 2020, subject as above (Encl 1).
 - b. Memorandum, CESPDP-PDP (FRM-PCX), 26 August 2020, Review Plan Endorsement for the River Des Peres, University City, MO General Reevaluation Study (Encl 2).
 - c. EC 1165-2-217, Review Policy for Civil Works, 20 February 2018.
2. The enclosed Review Plan (RP) for the River Des Peres GRR Plan has been prepared in accordance with EC 1165-2-217. Also, it has been coordinated with the District Support Team, the Engineering and Construction Division, and the Planning Center of Expertise who endorsed the RP.
3. The MVD hereby approves this RP, which is subject to change as circumstances require, consistent with project development under the Project Delivery Business Process. Non-substantive changes to this RP do not require further approval. Substantive revisions to this RP or its execution will require new written approval from this office. The district should post the approved RP to its public website, with sensitive information removed.
4. The MVD point of contact for this action is Mr. Jim Cole, CEMVD-PDM, at telephone number (601) 634-5293.
