Summer Student Employment Available at Lake Shelbyville

Lake Shelbyville – The U.S. Army Corps of Engineers at Lake Shelbyville is soliciting for summer student employment for the 2014 recreation season. Students hired will be required to begin work at the completion of the Spring 2014 semester and work until the beginning of the Fall 2014 semester. Available job openings have not been decided at this time but are potentially available in Interpretive Services, Visitor Assistance, Facility/Grounds Maintenance, and Environmental Stewardship. The hourly rate for these positions will be approximately \$11.06 with a 40 hour per week work schedule. If hired for these positions, you may be required to work days and/or nights and weekend / holiday shifts.

Basic Requirements and Qualifications:

- Enrolled or accepted for enrollment in a technical or vocational school, 2-year or 4-year college or university, graduate or professional school, at a qualifying educational institution on a half-time or full-time basis pursuing a qualifying degree or certificate
- Minimum education requirement of high school diploma or GED
- Good academic standing with a cumulative 2.0 grade point average
- Transcripts and proof of enrollment/acceptance letter
- Detailed resume showing eligibility for this position
- Required to sign a Pathways Participant Agreement

These positions will be announced on line at www.usajobs.gov website. Applicants will need to create an account, build their profile and apply for these positions at www.usajobs.gov.

For more information regarding this employment opportunity at Lake Shelbyville, call the U.S. Army Corps of Engineers at (217) 774-3951 extension 0.
