Some areas may require the use of no-till practices as deemed necessary by the Operations Manager. Areas will not be tilled after harvest until 1 April,

Chemical treatment of noxious weeds must be approved by the Operations Manager and accomplished as recommended by the local extension agency.

13. WILDLIFE FOOD – To supplement the food supply for wildlife, ten percent (10%) of the leased acres for each lease area must be left standing each year. The acreage to be left may be designated in one field or in several different fields. The location of the ten percent (10%) wildlife food will be chosen prior to harvest by the Operations Manager or his/her representative to provide the maximum benefit to wildlife. The ten percent wildlife food left from a previous year may be mowed and/or harvested after 1 April to reduce volunteer seed germination. **DEPARTMENT OF THE ARMY LEASE
LOCATED ON XXX LAKE
COUNTIES, STATE**

THIS LEASE, made on behalf of the United States, between the **SECRETARY OF THE ARMY**, acting by and through the Real Estate Contracting Officer, Real Estate Division, U.S. Army Engineer District, St. Louis, hereinafter referred to as the Lessor, and **LESSEE NAME, ADDRESS** hereinafter referred to as the Lessee,

WITNESSETH:

That the Lessor finds that this Lease is advantageous to the United States, that the terms and conditions are considered to promote the national defense or to be in the public interest; that the Premises are under the control of the Lessor; that the Premises are not needed for the Term below for public use by the Lessor; and that the property is not excess property.

That the Lessor, by authority of Title 10, United States Code, Section 2667, and for the consideration set forth herein, hereby leases to the Lessee the property hereinafter identified in **Exhibit A-1, xxx, xxx** attached hereto and made a part hereof, hereinafter referred to as the premises, for **agricultural purposes**, and in accordance with the land use requirements identified in **Exhibit "B"**, which is attached hereto and made a part hereof.

THIS LEASE is granted subject to the following conditions:

1. TERM

Said premises are hereby leased for one term of **xxx years** beginning **DATE**, and ending **DATE ENDING**, unless earlier terminated pursuant to the condition on **TERMINATION**.

2. CONSIDERATION

a. As consideration for this Lease, the Lessee shall pay to the Lessor consideration in the total value of **CONSIDERATION** per annum.

(1) The Lessee will provide consideration in-kind which shall be

accomplished by the Lessee as described in the In-Kind Agreement as attached as **Exhibit "C"**.

(2) The Lessee must comply with the terms and conditions of the In-Kind Agreement. The Lessor may terminate this Lease if the Lessee fails to comply with the terms and conditions of, or is in default under, the In-Kind Agreement. Failure to comply with the In-Kind Agreement will also be considered non-payment of consideration.

b. All rent and other payments due under the terms of this lease must be paid on or before the date they are due in order to avoid the mandatory sanctions imposed by the Debt Collection Act of 1982, (31 U.S.C. Section 3717). This statute requires the imposition of an interest charge for the late payment of debts owed to the United States; an administrative charge to cover the costs of processing and handling delinquent debts; and the assessment of an additional penalty charge on any portion of a debt that is more than 90 days past due. The provisions of the statute will be implemented as follows:

(1) The United States will impose an interest charge, the amount to be determined by law or regulation, on late payment of rent. Interest will accrue from the due date. An administrative charge to cover the cost of processing and handling each late payment will also be imposed.

(2) In addition to the charges set forth above, the United States will impose a penalty charge of six percent (6%) per annum on any payment or portion thereof, more than ninety (90) days past due. The penalty shall accrue from the date of delinquency and will continue to accrue until the debt is paid in full.

(3) All payments received will be applied first to any accumulated interest, administrative and penalty charges and then to any unpaid rental or other payment balance. Interest will not accrue on any administrative or late payment penalty charge.

3. SUPERVISION BY THE REAL ESTATE CONTRACTING OFFICER

a. The use and occupation of the Premises incident to the exercise of the privileges and purposes hereby granted shall be subject to the supervision and approval of the Lessor and to such general rules and regulations as the Lessor may from time to time prescribe.

b. The Premises shall be under the general supervision and subject to the approval of the [Installation Commander] [District Engineer], who is the officer with operational control over the Premises, hereinafter referred to as said officer. The Lessee's use of the Premises shall be accomplished in such manner as not to endanger personnel or property of the said officer or obstruct travel on any road or other thoroughfare.

4. COST OF UTILITIES

The Lessee shall pay the cost, as determined by the said officer, of producing and/or supplying any utilities and other services furnished by the Government or through Government-owned facilities for the use of the Lessee, including the Lessee's proportionate share of the cost of operation and maintenance of the government-owned facilities by which such utilities or services are produced or supplied. The Government shall be under no obligation to furnish utilities or services. Payment shall be made in the manner prescribed by the said officer.

5. NOTICES

a. All notices and correspondence to be given pursuant to this lease shall be addressed, if to the Lessee, to **LESSEE NAME AND ADDRESS**, and if to the Lessor, to the **REAL ESTATE CONTRACTING OFFICER, ATTENTION: REAL ESTATE DIVISION, ST LOUIS DISTRICT, U.S. ARMY CORPS OF ENGINEERS, 1222 SPRUCE STREET, ST LOUIS, MO, 63103-2833** or as may from time to time otherwise be directed by the parties.

b. Notices shall be mailed by certified mail, postage prepaid, return receipt requested, addressed to the addresses listed in 4.a. above. The effective date of the notice shall be the earlier of the actual date of receipt or the date the addressee is notified of the attempted delivery of the certified mail, whether or not the addressee actually accepts delivery. Use of an express delivery service will not substitute for this requirement.

c. Communications other than notices required under this Lease may be sent by means other than certified mail, return receipt requested, including electronic mail." Such communications include routine matters of coordination and informal exchange of information.

6. AUTHORIZED REPRESENTATIVES

Except as otherwise specifically provided, any reference herein to "Secretary of the Army", "Real Estate Contracting Officer", "Lessor", "said officer", or "Chief, Real Estate Division" shall include their duly authorized representatives. Any reference to "Lessee" shall include sublessees, licensees, assignees, transferees, successors, and their duly authorized representatives.

7. IDENTIFICATION OF GOVERNMENT AGENCIES, STATUTES, PROGRAMS, AND FORMS

Any reference in this Lease, by name or number, to a government department, agency, statute, regulation, program, or form shall include any successor, amendment, or similar department, agency, statute, regulation, program, or form.

8. APPLICABLE LAWS AND REGULATIONS

a. The Lessee shall comply with all applicable Federal, State, county, and municipal laws, ordinances, and regulations wherein the Premises are located.

b. The Lessee shall be solely responsible for obtaining at its cost and expense any permits or licenses required for its operations under this Lease, independent of any existing permits or licenses held by the Lessor.

c. The Lessee understands and acknowledges that the granting of this Lease does not eliminate the necessity of obtaining any Department of the Army permit which may be required pursuant to the provisions of Section 10 of the Rivers and Harbors Act of 3 March 1899 (30 Stat. 1151; 33 U.S.C. § 403), Section 404 of the Clean Water Act (33 U.S.C. § 1344) or Section 408 (33 U.S.C. § 408) or any other permit or license which may be required by Federal, State, interstate, or local laws, regulations, and ordinances in connection with the Lessee's use of the Premises.

d. The Lessee shall promptly report to the Lessor any incident for which the Lessee is required to notify a Federal, State, or local regulatory agency or any citation by a Federal, State, or local regulatory agency of non-compliance with any applicable law, ordinance, or regulation.

e. The Lessee shall comply with the Land Use Regulations attached hereto as **EXHIBIT B**.

9. DISCLAIMER

This Lease is effective only insofar as the rights of the United States in the Premises are concerned; and the Lessee shall obtain such permission as may be required on account of any other existing rights.

10. TRANSFERS AND ASSIGNMENTS

Without prior written approval of the Lessor, the Lessee shall not transfer or assign this Lease, sublet the Premises or any part thereof, or grant any interest, privilege, or license whatsoever in connection with this Lease. Failure to comply with this paragraph shall constitute a breach for which the Lessor may immediately terminate the Lease.

11. CONDITION OF PREMISES

The Lessee acknowledges that it has inspected the Premises knows its condition, and understands that the same is leased without any representations or warranties whatsoever and without obligation on the part of the United States to make any alterations, repairs, or additions thereto.

12. SUBJECT TO EASEMENTS

This Lease is subject to all existing easements, whether of record or not, or those subsequently granted as well as established access routes for roadways and utilities located, or to be located, on the Premises, provided that the proposed grant of any new easement or route will be coordinated with the Lessee, and easements will not be granted which will, in the opinion of the Lessor, interfere with the use of the Premises by the Lessee.

13. SUBJECT TO MINERAL INTERESTS

This Lease is subject to all outstanding mineral interests. As to federally owned mineral interests, the Lessee understands and acknowledges that such interests may be included in present or future mineral leases issued by the Bureau of Land Management (BLM), Department of the Interior which has responsibility for mineral development on federal lands. The Lessor will provide lease stipulations to BLM for inclusion in said mineral leases that are designed to protect the Premises from activities that would interfere with the Lessee's operations or would be contrary to local law.

14. PROTECTION OF PROPERTY

a. For the purposes of this condition, the term "Lessee" shall include Lessee's employees, officers, agents, invitees, contractors and subcontractors, assigns, licensees, sublessees, subgrantees, and other affiliates.

b. The Lessee shall keep the Premises in good order and repair and in a decent, clean, sanitary, and safe condition by and at the expense of the Lessee. The Lessee shall be responsible for any damage that may be caused to property of the United States by the activities of the Lessee under this Lease and shall exercise due diligence in the protection of all property located on the Premises against fire or damage from any and all other causes. Any property of the United States damaged or destroyed by the Lessee incident to the exercise of the privileges herein granted shall be promptly repaired or replaced by the Lessee to a condition satisfactory to the Lessor, or at the election of the Lessor, reimbursement made therefore by the Lessee in an amount necessary to restore or replace the property to a condition satisfactory to the Lessor.

c. The Lessee shall immediately notify the Lessor upon discovery of any hazardous conditions on the Premises that present an immediate threat to health and/or danger to life or property. The Lessor, upon discovery of any hazardous conditions on the Premises that present an immediate threat to health and/or danger to life or property, will so notify the Lessee. In addition to the rights of termination for noncompliance or at will (for any reason at any time), upon discovery of any hazardous conditions on the Premises by the Government, or upon notice of Lessee's discovery of such conditions, the Government shall close, or cause the Lessee to close the affected part or all of the Premises to the public until such condition is corrected and the danger to the public eliminated. If the condition is not corrected, the Lessor will have the option to: (1) correct the hazardous conditions and collect the cost of repairs and any other

resulting damages, including consequential damages and loss in value to the premises from the Lessee, if the conditions were caused by Lessee; or, (2) revoke the Lease for noncompliance or at will (for any reason at any time) and the Lessee shall restore the Premises in accordance with the Condition on **RESTORATION**. The Lessee shall have no claim for damages against the United States, or any officer, agent, or employee thereof on account of action taken pursuant to this condition on **PROTECTION OF PROPERTY**. Hazardous conditions not caused by the Lessee will be dealt with at the discretion of the Lessor, but the Lessee will nonetheless be responsible for closing the area as directed by the Lessor or complying the Lessor's closing of the area, as applicable, in accordance with this condition.

15. RIGHT TO ENTER AND FLOOD

The right is reserved to the United States, its officers, agents, and employees to enter upon the Premises at any time and for any purpose necessary or convenient in connection with government purposes; to make inspections, to remove timber or other material, except property of the Lessee, to flood the Premises, to manipulate the level of the lake or pool in any manner whatsoever and/or to make any other use of the Premises or portion(s) thereof as may be necessary in connection with government purposes, and the Lessee shall have no claim for damages on account thereof against the United States or any officer, agent, or employee thereof.

16. TITLE TO IMPROVEMENTS

The demolition, renovation, and construction of improvements by the Lessee are private undertakings, and during the term of this Lease title to all such improvements vest and remain in Lessee. The improvements shall remain real property for the duration of this Lease. All structures and equipment furnished by the Lessee shall be and remain the property of the Lessee during the term of the Lease. Upon expiration, revocation, or termination of the Lease, disposition of such improvements shall be accomplished in accordance with the condition on **RESTORATION**.

17. DESTRUCTION BY UNAVOIDABLE CASUALTY

If the Premises or improvements thereon shall be destroyed or be so totally damaged by fire or other unavoidable casualty so as to render the Premises untenable, wholly or in part, then payment of rent shall cease and either party may forthwith terminate this Lease by written notice to that effect, notwithstanding the condition on **TERMINATION**. If part of the Premises or the improvements were rendered untenable, rental payment may be apportioned to reflect the part remaining usable to Lessee. In the event the Lease is not terminated, the Lessor shall diligently proceed to return the Premises and improvements to operation and resume payment of rent in a manner and in a timeframe satisfactory to the Lessor.

18. RENTAL ADJUSTMENT

In the event the Lessor revokes this Lease or in any other manner materially reduces the Premises or materially affects its use by the Lessee prior to the expiration date, an equitable adjustment will be made in the rental paid or to be paid under this Lease. Where the Premises are being used for farming purposes, the Lessee shall have the right to harvest, gather and remove such crops as may have been planted or grown on said Premises, or the Lessor may require the Lessee to vacate immediately and, if funds are available, compensation will be made to the Lessee for the value of the remaining crops. Any adjustment of rent or the right to harvest, gather and remove crops shall be evidenced by a written supplemental agreement, executed by the Lessor; PROVIDED, however, that none of the provisions of this paragraph shall apply in the event of revocation because of noncompliance by the Lessee with any of the terms and conditions of this Lease and in that event any remaining crops shall become property of the United States upon such revocation.

19. PROHIBITED USES

a. The Lessee shall not permit gambling on the Premises or install or operate, or permit to be installed or operated thereon, any device which is illegal; or use the Premises or permit them to be used for any illegal business or purpose. There shall not be conducted on or permitted upon the Premises any activity which would constitute a nuisance. The Lessee shall not sell, store or dispense, or permit the sale, storage, or dispensing of beer or other intoxicating liquors on the Premises.

b. The Lessee shall not construct or place any structure, improvement, or advertising sign on the Premises, or allow or permit such construction or placement without prior written approval of the Lessor.

20. ENVIRONMENTAL PROTECTION

a. The Lessee, including the Lessee's sublessees, successors, or assigns, and the employees, agents, contractors, and invitees of any of them, will use all reasonable means available to protect the environmental and natural resources and where damage nonetheless occurs from activities of the Lessee, including the Lessee's subtenant/successors or assigns, employees, agents, contractors and invitees of any of them, the Lessee shall be liable to restore the damaged resources.

b. The Lessee, including the Lessee's sublessees, successors, or assigns, and the employees, agents, contractors, and invitees of any of them, shall protect the _____ Project against pollution of its air, ground, and waters by complying, at its sole cost and expense, with all Environmental Laws that are or may become applicable to the Premises or the Lessee's activities on the Premises, including but not limited to all applicable federal, State, and local laws, regulations, United States Army Corps of Engineers policies, and other requirements. The disposal of any toxic or hazardous materials within the Premises is specifically prohibited.

c. The term “Environmental Law”, as used herein, means any statute, law, act, ordinance, rule, regulation, order, decree, or ruling of any Federal, State, and/or local governmental, quasi-governmental, administrative or judicial body, agency, board, commission, or other authority relating to the protection of health and/or the environment or otherwise regulating and/or restricting the use, storage, disposal, treatment, handling, release, and/or transportation of Hazardous Substances, including, without limitation, the Comprehensive Environmental Response Compensation and Liability Act of 1980, the Resource Conservation and Recovery Act, the Federal Water Pollution Control Act, the Clean Air Act, the Hazardous Materials Transportation Act, the Toxic Substances Control Act, the Emergency Planning and Community Right To Know Act, and the environmental control laws of the State of _____, each as now or hereafter amended, and all regulations and interpretive guidelines respectively promulgated thereunder. Compliance with such regulations, conditions, or instructions in effect or prescribed by the Environmental Protection Agency, or any Federal, State, interstate or local governmental agency, are hereby made a condition of this Lease.

d. The Lessee is required to participate in all aspects of an environmental assessment, including but not limited to pre-briefings, the Outgrant Pre Visit Questionnaire, the assessment, exit briefings, of its outgranted area. The Lessee shall promptly initiate and complete all necessary corrective actions, as determined and directed by the said officer, in order to fully resolve those findings contained in Environmental Assessment Report(s) that the said officer determines must be implemented. Failure of the Lessee to take the required corrective action(s) identified in the Environmental Assessment Report(s) may be referred to the appropriate enforcement agency, which will render final determinations with respect to compliance with relevant laws or regulations. Continued non-compliance by the Lessee may also serve as grounds for revocation of this Lease.

f. The use of any pesticides or herbicides within the Premises shall be in conformance with all applicable Federal, State, interstate, and local laws and regulations. The Lessee must obtain approval in writing from the said officer before any pesticides or herbicides are applied to the Premises.

21. ENVIRONMENTAL CONDITION OF PROPERTY

An Environmental Condition of Property (ECP) report may be required by the Secretary upon expiration, revocation, termination, or relinquishment of this Lease to assess and document the environmental condition of the property at that time, if the need is warranted. This report/assessment will assist in determining any environmental restoration requirements that would need to be completed by the Grantee. Any such requirements will be completed by the Lessee in accordance with the condition on **RESTORATION**.

22. EXCAVATION RESTRICTIONS AND NOTIFICATION

In the event that the Lessee discovers unexpected, buried debris or a foreign, potentially unsafe or hazardous substance, the Lessee will immediately cease work in the affected area, immediately notify the said officer, and protect the affected area and the material from further disturbance until the said officer gives clearance to proceed. Such abeyance of activity in the affected area shall not constitute a default of the Lessee's obligation under this Lease.

23. HISTORIC PRESERVATION

The Lessee shall not remove or disturb, or cause or permit to be removed or disturbed, any historical, archeological, architectural or other cultural artifacts, relics, remains, or objects of antiquity. In the event such items are discovered on the Premises, the Lessee shall immediately notify the Lessor and protect the site and the material from further disturbance until the Lessor gives clearance to proceed.

24. SOIL AND WATER CONSERVATION

The Lessee shall maintain, in a manner satisfactory to the Lessor, all soil and water conservation structures that may be in existence upon said Premises at the beginning of or that may be constructed by the Lessee during the term of this Lease, and the Lessee shall take appropriate measures to prevent or control soil erosion within the Premises. Any soil erosion occurring outside the Premises resulting from the activities of the Lessee shall be corrected by the Lessee as directed by the Lessor, at the Lessee's sole cost and expense.

25. NATURAL RESOURCES

The Lessee shall cut no timber; conduct no mining operations; remove no sand, gravel, or kindred substances from the ground; commit no waste of any kind; or in any manner substantially change the contour or condition of the Premises except as authorized in writing by the Lessor.

26. FORCE PROTECTION STANDARDS

Any facilities constructed on the Premises may be constructed using commercial standards in a manner that provides force protection safeguards appropriate to the activities conducted in, and the location of, such facilities.

27. RESTORATION

a. Upon expiration, revocation, or termination of this Lease, the Lessee shall vacate the Premises, remove its real property improvements and personal property (Lessee's property) from the Premises unless otherwise agreed by the Lessor, and restore the Premises to a condition satisfactory to the Lessor. Such restoration shall

include restoration of all property of the United States on the Premises and environmental restoration as determined based on the condition on **ENVIRONMENTAL CONDITION OF PROPERTY**.

b. In the event this Lease is terminated or revoked by the Lessor for any reason, the Lessor may grant the Lessee a non-exclusive revocable license to use the Premises to vacate, remove Lessee's property therefrom, and restore the Premises to the required condition. Such license shall generally be for a period not to exceed ninety (90) days.

c. If the Lessee shall fail or neglect to remove Lessee's property and restore the Premises as required in this condition on **RESTORATION**, the Lessor may cause restoration work to be performed, including but not limited to removal of Lessee's property from the Premises. The Lessee shall have no claim for damages against the United States or its officers or agents related to or resulting from any removal of Lessee's property or any restoration work. The Lessee shall pay the United States on demand any sums which may be expended by the United States after expiration, revocation, or termination of the Lease to remove Lessee's property and to restore the Premises.

d. Upon written agreement by the Lessor, any or all of the Lessee's property may be surrendered to the United States in lieu of removal, with title vesting in the United States without additional consideration, therefore. The Lessee grants the Lessor power of attorney to execute any deed, bill of sale, or other documents to clear title to such real property improvements or personal property which the Lessor has agreed shall not be removed from the Premises. The Lessor may provide appropriate evidence of title in the Lessee to all property being removed by Lessee.

28. TERMINATION

a. The Lessor may terminate this Lease at any time (i) if the Lessee fails to comply with any term or condition of this Lease, or (ii) at will (i.e., at any time for any reason).

b. The Lessee may terminate this Lease at any time by giving the Lessor at least thirty (30) days' notice in writing, provided that no refund by the United States of any rent due and paid shall be made, and provided further, that Lessee shall be responsible to pay any and all rent set forth in the condition on **CONSIDERATION** that becomes due and payable prior to the effective date, as defined in the condition on **NOTICES**, of such notice.

29. FAILURE OF LESSOR TO INSIST UPON COMPLIANCE

a. The failure of the Lessor to insist, in any one or more instances, upon performance of any of the terms, covenants, or conditions of this Lease shall not be construed as a waiver or relinquishment of the Lessor's right to the current or future performance of any such terms, covenants, or conditions and the Lessee's obligations in respect to such performance shall continue in full force and effect.

b. No remedy herein or otherwise conferred upon or reserved to Lessor shall be considered to exclude or suspend any other remedy but the same shall be cumulative and shall be in addition to every other remedy given hereunder, or now or hereafter existing at or in equity, regulation, or by statute. Every power and remedy given by this Lease to Lessor may be exercised from time to time and so often as occasion may arise or as may be deemed expedient.

30. DISPUTES

a. Except as provided in the Contract Disputes Act of 1978 (41 U.S.C. §§ 7101-7109) (the Act), all disputes arising under or relating to this Lease shall be resolved under this clause and the provisions of the Act.

b. "Claim", as used in this clause, means a written demand or written assertion by the Lessee seeking, as a matter of right, the payment of money in a sum certain, the adjustment of interpretation of Lease terms, or other relief arising under or relating to this Lease. A claim arising under this Lease, unlike a claim relating to this Lease, is a claim that can be resolved under a Lease clause that provides for the relief sought by the Lessee. However, a written demand or written assertion by the Lessee seeking the payment of money exceeding \$100,000 is not a claim under the Act until certified as required by subparagraph c.(2) below. The routine request for rental payments that is not in dispute is not a claim under the Act. The request may be converted to a claim under the Act, by this clause, if it is disputed either as a liability or amount or is not acted upon in a reasonable time.

c.

(1) A Claim by the Lessee shall be made in writing and submitted to the Lessor for a written decision. A claim by the Government against the Lessee shall be in the form of a written decision by the Lessor.

(2) For Lessee claims exceeding \$100,000, the Lessee shall submit with the claim a certification that:

(i) the claim is made in good faith;

(ii) supporting data are accurate and complete to the best of the Lessee's knowledge and belief; and

(iii) the amount requested accurately reflects the Lease adjustment for which the Lessee believes the Government is liable.

(iv) the certifier is authorized to certify the claim on behalf of the Lessor.

(3) The individual signing on behalf of the Lessee must be authorized to certify the claim on behalf of the Lessee and shall be:

(i) If the Lessee is an individual, the certificate shall be executed by that individual.

(ii) If the Lessee is not an individual, the certification shall be executed by an individual authorized to certify on behalf of the entity who is –

(A) a senior company official in charge of the Lessee's location involved; or

(B) an officer or general partner of the Lessee having overall responsibility of the conduct of the Lessee's affairs.

d. For Lessee claims of \$100,000 or less, the Lessor must, if requested in writing by the Lessee, render a decision within sixty (60) days of receipt of the request. For Lessee-certified claims over \$100,000, the Lessor must decide the claim or notify the Lessee of the date by which the decision will be made within sixty (60) days of receipt of the request.

e. The Lessor's decision shall be final unless the Lessee appeals or files a suit as provided in the Act.

f. At the time a claim by the Lessee is submitted to the Lessor or a claim by the Government is presented to the Lessee, the parties, by mutual consent, may agree to use alternative means of dispute resolution. When using alternate dispute resolution procedures, any claim, regardless of amount, shall be accompanied by the certificate described in paragraph c.(2) of this clause, and executed in accordance with paragraph c.(3) of this clause.

g. The Government shall pay interest on the amount found due and unpaid by the Government from (1) the date the Lessor received the claim (properly certified if required), or (2) the date payment otherwise would be due, if that date is later, until the date of payment. Simple interest on claims shall be paid at the rate, fixed by the Secretary of the Treasury as provided in the Act, which is applicable to the period during which the Lessor receives the claim and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the claim. Rental amounts due to the Government by the Lessee will have interest and penalties as set out in the condition on **CONSIDERATION**.

h. The Lessee shall proceed diligently with the performance of the Lease, pending final resolution of any request for relief, claim, or action arising under the Lease, and comply with any decision of the Lessor.

31. INDEMNITY

be on the Premises at their invitation or the invitation of any one of them, and the Lessee shall hold the United States harmless from any and all such claims not including damages due to the fault or negligence of the United States or its contractors.

Notwithstanding any other provision of this Lease, any provision that purports to assign liability to the United States Government shall be subject to and governed by Federal law, including but not limited to the Contract Disputes Act of 1978 (41 U.S.C. Sections 7101-7109 (2012)), the Anti-Deficiency Act (31 U.S.C. Sections 1341 and 1501), and the Federal Tort Claims Act (28 U.S.C. Section 2671, et seq.).

35. COVENANT AGAINST CONTINGENT FEES

The Lessee warrants that no person or selling agency has been employed or retained to solicit or secure this Lease upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or established commercial or selling agencies maintained by the Lessee for the purpose of securing business. For breach or violation of this warranty, the Lessor shall have the right to annul this Lease without liability or, in its discretion, to require the Lessee to pay to the Lessor, in addition to the Lease rental or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

This provision shall apply to this condition as well as all other conditions of this Lease.

b. The provisions of this Lease may only be superseded, modified, or repealed pursuant to a written amendment or supplemental agreement to this Lease.

This Lease and any other agreement shall not merge. In the event the terms and conditions of this Lease conflict with the terms and conditions of any other agreement, the terms and conditions of the Lease shall prevail.

39. NOT PARTNERS

Nothing contained in this Lease will make, or will be construed to make, the Lessor and the Lessee hereto partners or joint venturers with each other, it being understood and agreed that the only relationship between the Lessor and the Lessee under this Lease is that of landlord and tenant with respect to the Premises.

40. NON-DISCRIMINATION

41. LABOR, MATERIAL, EQUIPMENT, AND SUPPLIES
