Available Partners/Subcontractors - The following list of potential partners/subcontractors is being provided as a courtesy by the Rock Island District which is updated monthly. These companies have done business with the District and/or have actively marketed the District, however the District does not endorse any contractors on the list. These companies can be used to help fulfill subcontracting requirements, provide a comprehensive proposal on an agency's procurements or to build your network for Rock Island District or other agency projects. The contractor information is not a complete list of the companies' capabilities. Please contact each company directly for full details. If you would like to be included on the list, and would like to discuss your capabilities, please contact the Deputy, Small Business Programs at cemvr-sb-web@usace.army.mil.
