

US Army Corps Of Engineers St. Louis District (MVS) Overview

Ashanti Griffin

Deputy, Small Business Programs

USACE – St. Louis District

US Army Corps
of Engineers®

BUILDING STRONG®

As of: 12 APR 23

St. Louis District Mission – Value to the Nation

2

St. Louis District Corps of Engineers

The Gateway to Excellence

Mission – Provide engineering & water resource solutions that improve safety, energize the economy, sustain the environment & enhance the quality of life for those we serve through expertise, innovation & partnerships.

Navigation

- 3 rivers
- 5 lock and dam sites
- 416 miles of navigable channel
- 110M tons of commodities transferred annually
- Saving more than \$1B a year

Flood Risk Management

- 74 levee systems with 93 levee segments
- 750 miles of levees
- 5 Corps lakes

Ecosystem Restoration

- 21,000 acres restored
- 10,000 acres in design & feasibility
- 6,700 acres of habitat under construction

Recreation

- 9.1M visitors per year
- 120,000 acres of fishing, boating, and swimming
- 49 recreational use areas

Hydropower

- 58 MW production capability
- 20,000 households supplied with electricity

FUSRAP

- 1.4M cubic yard of contaminated soil removed
- 415 properties remediated

US Army Corps
of Engineers®
St. Louis District

More than 700 veterans

Trained at 6 labs

With more than 91%

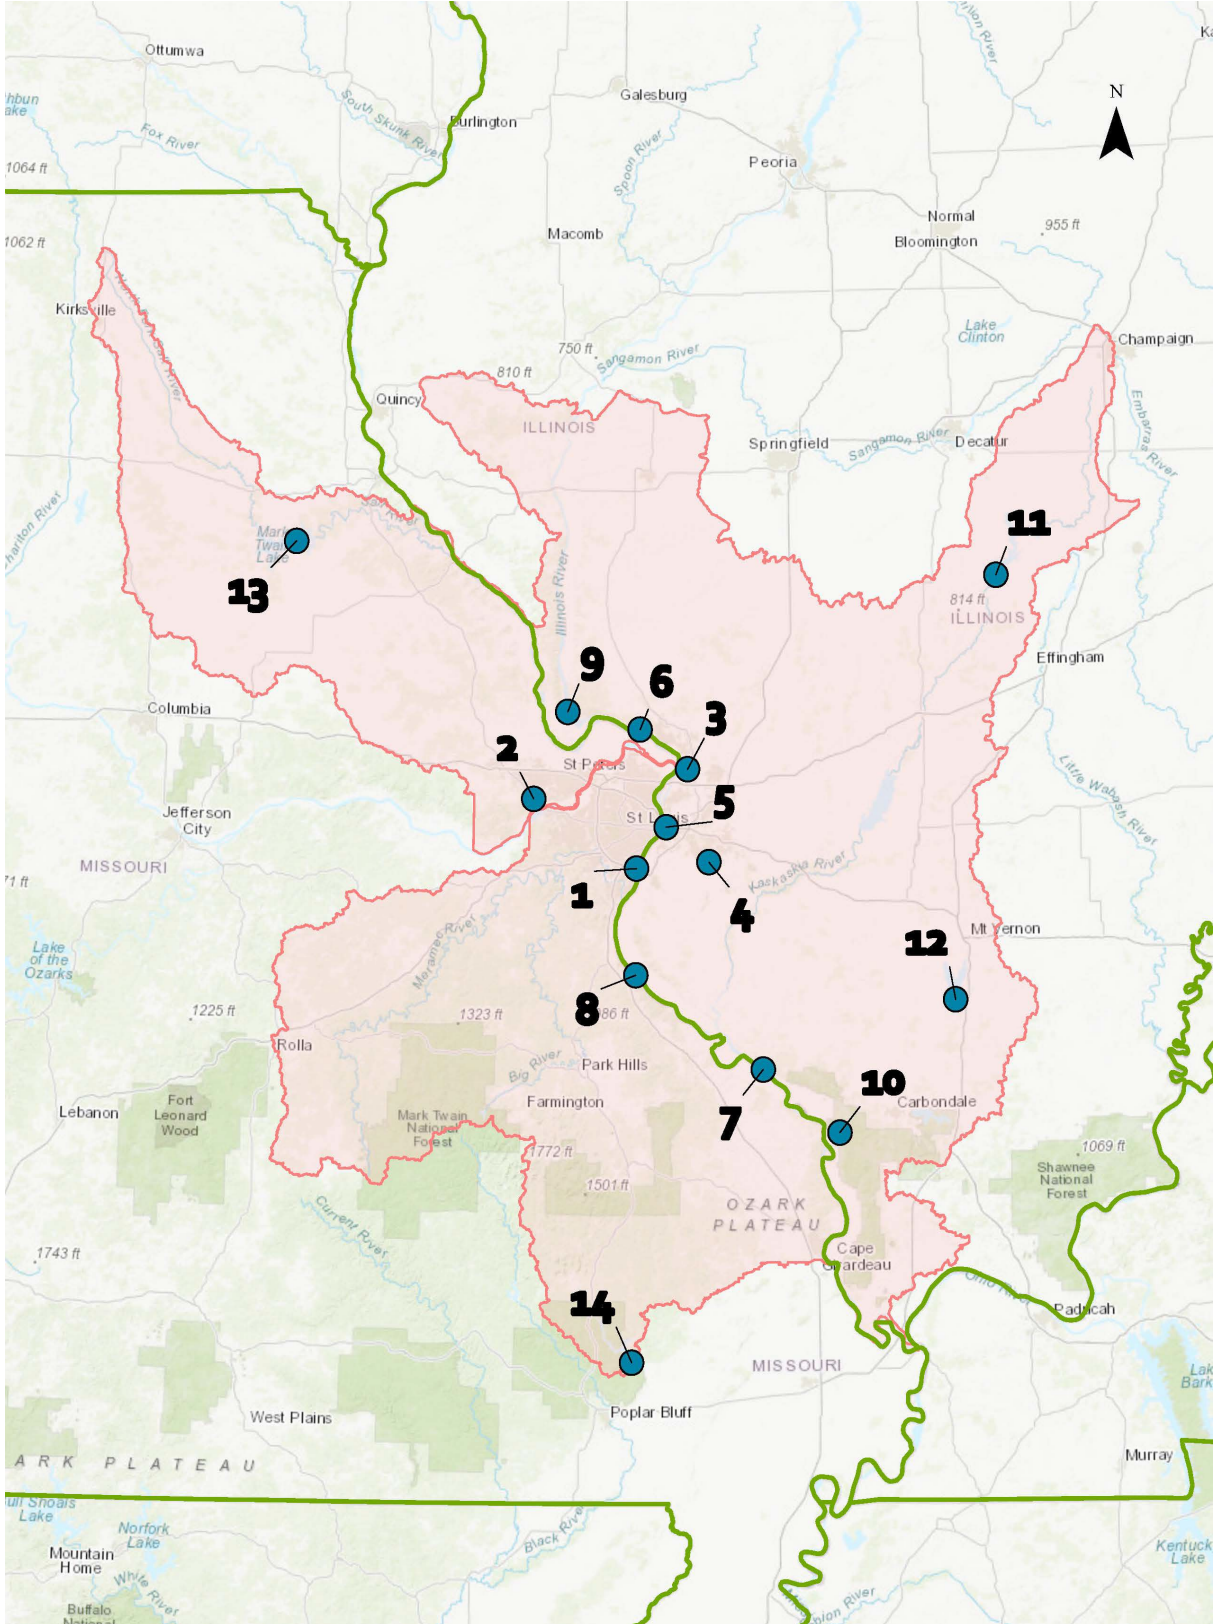

Job and education placement rate
After graduation from the program!

NESP Lock & Dam 25 Expansion – Pre-Construction	Winfield, MO		3Q, FY23	2Q, FY24		ECI	SATOC

BIL: \$732M is for the NESP L25 new 1200ft Lock project. NESP, or Navigation and Ecosystem Sustainability Program, is an authorized, multi-purpose program that contains projects across three USACE districts (MVP, MVR, MVS) to get at improved Navigation Efficiency and additional Ecosystem Restoration on the Upper Mississippi and Illinois Rivers. High points of the program include 7 new 1200ft locks at existing facilities. L25 is the first of those new locks to be funded. Look for more information later in this presentation on L25 as we will be awarding an initial construction contract yet this year but will also be looking to engage the construction industry on overall delivery strategy later this year as well.
